## School Uniform Policy

**Gospel Values:** Justice, Respect, Community, Witness

**Rationale:**

**Implementation:**

- St. Augustine's prides itself in its welcoming atmosphere. We are a school that fosters a sense of belonging.
- We encourage children to have pride in themselves, their achievements and their appearance.
- To nurture these sentiments, and to develop both a sense of responsibility for property and a level of self discipline a school uniform is prescribed.
- The uniform will be such that is comfortable and appropriate to various school related activities and to the prevailing weather conditions.
- Our uniform should allow others to identify St. Augustine's children.
- The policy accepts that there may be special needs/circumstances for particular dress and footwear requirements. These should be informed to the principal.
- Notes from parents/carers should be provided if full and correct school uniform is not able to be worn on a particular day/occasion.
- A set school uniform encompassing summer/winter/sports wear for girls & boys will be established.
- Students should always be neatly dressed.
- Correct and appropriate school uniform should be worn at all times.
- Uniform costs should be cost efficient.
- Changes to school uniform should provide for a lee period of 2 weeks for changeover.
- School approved headwear to be worn during summer terms (Sun Smart awareness).
- Monitoring the school uniform will be a parent / Principal responsibility ensuring universal support for the uniform and its consistent wearing.
- Uniform colour – has uniformity.
- Details to be published in the School Information Booklets, yearly and the school Weebly site.
- School uniform should be worn on all out-of-school experiences unless otherwise prescribed.
- Parents will be informed by the Principal via telephone of transgressions in wearing school uniform.
